

IFCO/ PASTORS FOR PEACE

Cuba/ U.S. Friendship Caravan

Since 1992 the Interreligious Foundation for Community Cooperation (IFCO) has sponsored an annual caravan to bring humanitarian aid to Cuba and to contest the United State's embargo against Cuba.

The caravan has three missions:

1. To challenge the immoral and illegal U.S. trade embargo and travel ban to Cuba.
2. To collect and deliver tools, medical and musical equipment, educational and construction supplies.
3. To practice people-to-people diplomacy and respect for Cuban sovereignty.
